

Vasant Navaratra

CELEBRATION

Worshipping the Goddess

The festival of Navaratra ("nine nights" of the Goddess) is celebrated in honor of the Goddess, the Divine Mother. During these nine days, we worship and celebrate the nine forms of the Goddess, the arrival of Spring, the abundance of Mother Nature, the Kundalini Shakti, and the Consciousness that dwells within All. We will celebrate by chanting hymns and names of the Devi.

We welcome you to come and spend time at the Ashram during this Spring festival.

*She is all things both within and without,
yet She exists apart from them all.*
